AMENDED SCHEDULING ORDER (Doc. # 52)

On December 27, 2000, the Court issued a special Scheduling Order (Doc. # 52) in this case. Paragraph 3 of that Scheduling Order established Monday of every week as a Hearing Day and provided special procedures for scheduling hearings.

A plan of reorganization was confirmed on July 27, 2000. Since there would appear to be less need for weekly hearings, the Court will amend paragraph 3 of the Scheduling Order as follows, to establish bi-weekly Hearing Days for 90 days. Thereafter, the special provisions for establishing hearings as provided in paragraph 3 of the Scheduling Order will be vacated altogether and thereafter motions shall be scheduled for hearing in accordance with otherwise applicable local rules.

THEREFORE IT IS ORDERED THAT PARAGRAPH 3 OF THE SCHEDULING ORDER DATED DECEMBER 27, 2000, IS AMENDED AS FOLLOWS:

1. The Hearing Days for this case shall be:

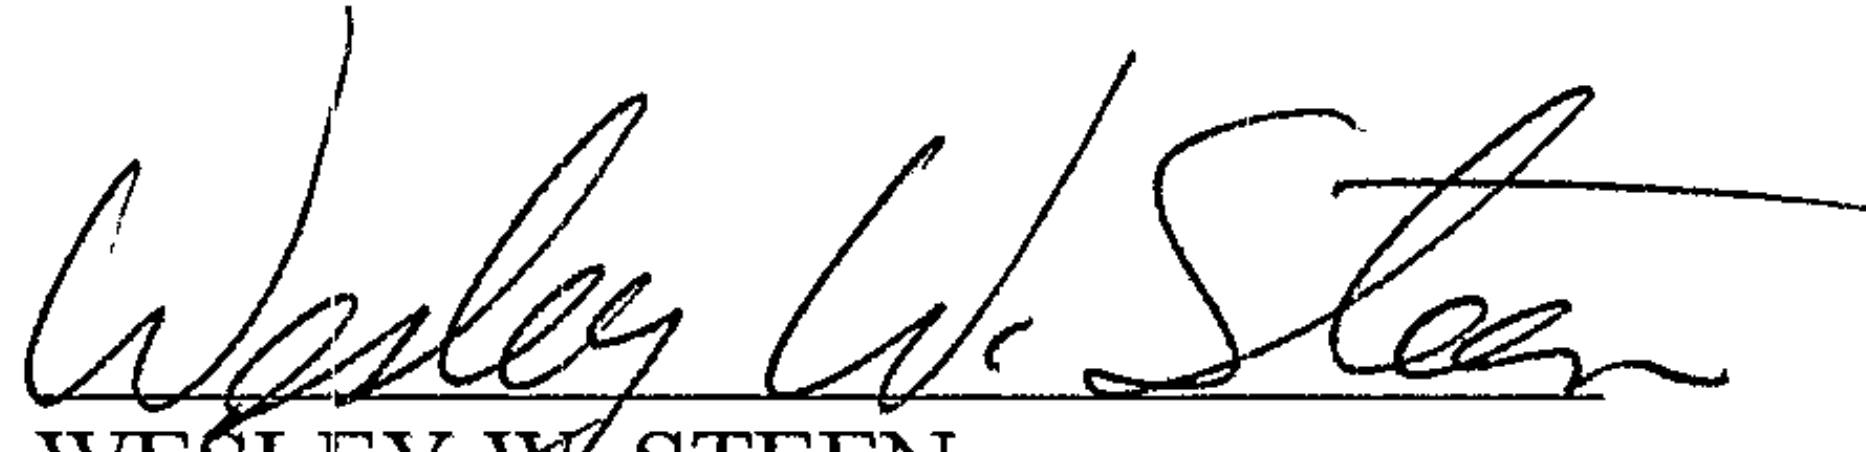

August 7, 2000
August 14, 2000
August 28, 2000
September 18, 2000
October 2, 2000
October 16, 2000.

2. Paragraph 3 of the Scheduling Order shall not apply to any pleading filed after September 30, 2000. Any pleading filed after that date shall be noticed for hearing in accordance with local rules generally applicable to all bankruptcy cases in this district.

342

The Debtor shall give prompt notice of this order in accordance with the notice procedures of the Scheduling Order.

SIGNED July 31, 2000.
